# A CRISIS ...

- ... never leaves us the same.
- ... separates the pretenders from the players.
- ... tests a leader's competence.

# OUR NEXT STEP IS TO TAKE THE NEXT STEP

- Awareness
- Anticipation
- Agility

# BE THE LEADER FOR OTHERS THAT YOU WISH YOU HAD

- Embrace good values

# COMMUNICATION

- Communicate reality
- Communicate frequently
- Communicate with care
- Communicate “we” not “me”
- Communicate hope

A good leader inspires people to have confidence in the leader, a great leader inspires people to have confidence in themselves.
